To

B. Narayanaswami Iyengar, Esq, B A., B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
B a n g a l o r e.

S i r,

With reference to Government notification No. L.8227-Ml. 12-28-159 dated 8th June 1929, authorising me to hear objections under Section 5 (a) of the Land Acquisition Regulation in respect of the acquisition of certain properties for the formation of a circle near Majestic Theatre in -- Kitchetty Chattram Road, Bangalore City, I have the honor to state that the trustees of the Iswara Temple which was included in the acquisition proposals already submitted, preferred objection to the removal of the temple. They appeared on 15th July 1929 and stated that they were not for its removal since it was long standing. I am therefore of opinion that the temple may be omitted and the remaining property acquired

2. The cost of acquisition excluding the temple portion, estimated to be Rs 3,175-9-3, excluding the statutory allowance at 15 % will be met out of Rs 75,000/- provided in the current year's budget of the City Municipality under D.3. Compensation.

3. The final declaration statements in Kannada and English, omitting the temple portion therein, (in duplicate) are enclosed for favour of publication.

4. I request that sanction of Government to the acquisition may kindly be obtained and communicated to this -- Office.

PUBLICITY OFFICE.

ABSTRACT OF NEWSPAPER INTELLIGENCE.

Date --6th July 1929.- - -

Heading of article	Name of newspaper, date and page	Subject
Advice to Mill Labourers.	"The Tai-Nadu", Dated 8-7-1929.	In the leader says that public will sympathise with the labourers in their present condition. Opines that the existence of the Labour Commissioner is of no use. The Mill authorities are not budging an inch from their position. writes that all efforts are being made for the down-fall of the labourers who are said to have been denied the good counsel of their leaders. Asks who would be answerable if anything untoward occures. Declares that Government alone will be responsible for this. Appeals to the public to come forward and show their sympathy with the labourers. Advises the labourers to behave peacefully.
Devangere News.	- Do -	Declares that the police arrangements in the Town are insufficient, and that the central streets of the town require an efficient Police patrol.
Police Rule.	"The Tai-Nadu", 8-7-1929.	In the leader says that the Police are creating some fear in the minds of the citizens. Admits there is some discontent in the city but thinks that there is no reason for the police to behave in this way. Refers to the fear entertained by some persons when Mr. Mariappa was appointed to the City Police that he would bring trouble to the City. Opines that their fears have come to be true. Mr. Mariappa is a new man to this City and has

he is waiting for an opportunity to exhibit his efficiency. If no opportunity occurred he is capable of creating one.

Government duties and the Bangalore situation. "Chitragupta", Dated 5-7-1929.

In the leader calls the present condition of Bangalore very unsatisfactory and says that this is evident from the District Magistrate's appeals. Refers to Mr. Venkatapathiah's article (a translation of which is appended) and says that partiality is shown in the issuing of gun licenses.

Opines that at such a juncture it was not proper to arrest Mr. K.T. Bhashyam. Hopes that Government will take wise measures to bring about peace in the City.

Press Satyagraha. "Lokshikshaki", 5-7-1929.

Writes that the Police did not seize the "Navajeevana" and "Sadhvi", which were published on the 3rd and 4th instants without the permission of Government.

Bangalore labour Leader's arrest. "The Hindu", Dated 6-7-1929.

The Bangalore correspondent gives further details about the arrest of Messrs Bhashyam and Seema on the 3rd instant. It is alleged that Mr. Nariappa behaved in an impolite manner that day. The correspondent also writes that when Mr. Bhashyam asked the District Magistrate to let him know the reasons for his arrest, the District Magistrate is alleged to have replied that he was only a magistrate and knew nothing about it. Mr. Bhashyam is said to have retorted that the District Magistrate was in the hands of the Police.

Mysore News. - Do -

A correspondent writes from Mysore that on Sunday the 30th June the ceremony of hoisting the National Flag was conducted by the Youth League of Mysore.

On Monday the 1st instant the anniversary

of

(13

of the late Mr. C. R. Das is said to have been observed at the Congress office. Adds that an arrangement has been made by the Youth League of Mysore to give training in physical culture for boys and young men on the lines of the Hindustani Seval Dal from the 2nd week of July 1929.

Law Secretary's "The Swarajya", D.O. to Magistrate, 6-7-1929.

The Bangalore correspondent publishes an account of the hearing of the appeal filed by Mr. V.C. Sanjiva Rao against the sentence imposed on him by the City Magistrate. The Session Judge reserved orders.

Muslims meet "Bangalore Times", meeting. 8-7-1929.

Publishes the resolutions passed at a meeting of Mussalmans held under the auspices of the Central Mahomedan Association, in the Usmania Hall on 4th July 1929 under the presidency of Mr. Modi Abdul Gafoor. It is stated that over 3,000 Mussalmans were present. The following are the more important resolutions:-

Condemning the acts of sacrilege and the atrocities in destroying the property of Mussalmans by fire which are alleged to have been committed by the Hindus.

Praying that Government may take steps to punish the offenders, to give compensation to the Mussalmans and to start relief measures. A resolutions expressing want of confidence in any enquiry Committee was also passed.

Mysore Dewan's "Indian Princes & Zemindars", regime. June 1929.

Referring to the regime of the Dewan of Mysore says that during the past three years, there has been vast development in agricultural co-operation and in technical instruction etc., Adds that the crowning achievement of all was in securing a remission of Mysore's annual subsidy to the Government of India, thereby saving a sum of Rs.10½ lakhs annually.

How to establish "The Chitragupta". Appeal of the Bangalore District Magistrate.
Pages 1 Dated 4-7-1929.

Mr. S. Venkatapathiah writes as follows:-

It is necessary to bring to the notice of the public one or two points on the three appeals published by Mr. A.K. Syed Taj Peeran contradicting the wild rumours that were being spread in Bangalore City:

1.) In the first appeal it is not stated what kind of false rumours are being spread. In the second appeal published in the Chitragupta of the 3rd instant it is requested that the false rumours about the Sultanpet Ganapathi image should not be believed by Hindus.

2.) Why has not Mr. Taj Peeran stated the nature of the rumours that are being spread among Mohamedans and why has he not requested them not to believe the rumours?

[redacted]

3.) The rumours which were published in "Chitragupta" dated 3rd are spreading among Mohamedans. "Alkalam" has also mentioned these in its issue of the 26th instant. As such it is very much regretted that Mr. Taj-peeran has not made even a mention of these matters in his 2nd appeal. Even now, in the best interests of all, it is but meet that he should publish another appeal requesting the Mohamedans not to believe such rumours.

4.) Else, if things are left at this stage it would only mean that it is always the Hindus who create commotion and not the Muslims. Specially during these days of trouble it is safe not to give room for people to think and imagine in that fashion. The fact that rumours are current among both the communities must be made plain.

(15

5) In addition to the above points I request that either the District Magistrate or the Publicity Officer to Government will kindly give proper replies to the following questions through Press Communique so as to establish peace among the people:-

1.) Is it a fact that one Mohamedan for each house is watching the mosque in every Mohalla for fear that Hindus will desecrate them as at Davangere? When the Muslims collect together in numbers, immaterial of the fact whether it be for good or bad reason, will that not terrify the Hindus? Will that help to establish peace?

OFFICE OF THE SECRETARY TO GOVERNMENT
9 JULY 1929
No. 267

HOME & REV SECT
170
9 JULY 1929
L & G BRANCH

2.) Is it a fact that Municipal authorities are trying to hurry up things to demolish the temple situated at Balepet opposite to Gubbi Theatre? Is this a suitable time for taking such a course of action?

3.) There is an old Muniswara Temple situated in the road which runs in front of 'Carlton' House" in a northerly direction. While this temple is left almost uncared for, the tomb of a Mohamedan saint situated just opposite to this temple was cleaned and dome lights are being installed therein. Is that the first step for establishing peace and harmony among the people in general?

4.) Is it a fact that Mohamedans are sending messages to the effect that their lives and honor must be protected in view of the Disturbances at Davangere Is there room for such a fear in other places? If so, are the Hindus mischief mongers and the Mohamedans good people? After the Bangalore Disturbances the people submitted a memorial to His Highness but the authorities strongly condemned such an action and punished the signatories of that memorial whereas the people who send such fearful messages from Davangere are not troubled. Now there are those wh

who threw shoes at Vigneshwara and thus desecrated that and other temples? Will such a thing bring about peace?

5.) When I collected funds for Channapatna last year I was warned that I would be attacked by Mussalmans. I did not care. For this act of mine I was cross-examined in the Enquiry Committee also. Mohammedans of Channapatna threatened the subscribers and they ordered that the money paid should be taken back and given to the Muslim Association. I held up the amount with me and the subscribers also became very bold. The opposite party lost heart. At present funds are being collected for helping the Mohamedans at Davangere. If each community feels that there are drawbacks in them it will be easy to bring about peace.

6.) In granting licenses for possessing revolvers some partiality is reported to have been shown. People like Pabbati Venkataramiah and Mr. V. Venkatappa have been refused licenses and I have also been denied a license even when my condition is most precarious. It is learnt that Mr. Abbas Khan has been recently granted such a license. This shows that the treatment given to one differs from the treatment given to another.

All communities regard this motherland as heaven. All desire peace and happiness but some officers and leaders have become impudent. Some people have tried in vain to set right all these things. It is difficult to imagine when the wicked people will get wisdom and unselfish people will derive good results from their noble acts. Since last July the situation is becoming worse and worse and I am anxious to know when peace and happiness will prevail in the State. I will be ever ready to help in the restoration of peace in the country.

(17

Violent attacks "The Daily Chronicle", on Muslim Dewan, 5-7-1920.

The paper's own correspondent gives a review of the present condition of Mysore State. Refers to the Davangere incidents and says that communal trouble in Mysore is entirely "the handiwork of politicians of a certain brand". Remarks that "For the first time in the history of Mysore, a Muslim occupies the position of the Chief Minister, and the manifest tendency of the Brahmin politicians is to make things as hot for him as possible".

Referring to the Cauvery Arbitration settlement opines that "In the settlement the navâir faire of the Dewan, Mr. Mirza M. Ismail is much in evidence".

Submitted for favour of kind perusal.
